Hope Kolkata Foundation

October–December 2024

Hope Kolkata Foundation has been honored with the "Outstanding Contribution to Social Consciousness" award at The Eastern Indian Leadership Awards 2024. This recognition highlights the foundation's relentless efforts in driving meaningful social change. The achievement is a testament to the dedication of its team, whose unwavering commitment continues to transform lives.

Children from HOPE's Residential Child Care Centres recently participated in a friendly football match with HSBC staff. The event was filled with energy and excitement as the children interacted with team members and enjoyed the game.

HOPE is proud to announce that Abhishek Singh, a student from the Computer Unit, has been selected for the prestigious CCIP program to study at Valencia College in Florida, USA. We congratulate Abhishek on this remarkable achievement and wish him all the best for his future endeavors.

In October, children from Hope Kolkata Foundation took part in a cricket tournament and a capacity-building workshop organized by Pro Sport Development (PSD) in collaboration with The Upamanyu Mallik Initiatives (TUMI). The event aimed to promote sports and skill development among the participants.

The annual winter picnic for creche children was a huge success, with the little ones enjoying a fun-filled day of exploration and play. From thrilling rides to exciting games, the children had a blast bonding with friends and creating unforgettable memories.

In December 2024, children from Hope Kolkata Foundation's Project celebrated the International Day of Persons with Disabilities with a fun-filled visit to Science City. Nearly 400 children and their parents enjoyed interactive rides and educational experiences. The event was inaugurated by Dr. R.K. Sharma, Director of Science City, and Ms. Maureen Forrest, Founding President of The Hope Foundation, who joined the children in the celebrations.

In December 2024, Hope Kolkata Foundation was honored to welcome Shri Niraj Gupta, Mr. Mohit Diwakar, and Mr. Pravin Bhojwani from ECGC Limited to HOPE Hospital. During their visit, ECGC Limited generously donated an Automated Microbial Identification System and a Diathermy Instrument to enhance the hospital's diagnostic and treatment capabilities. This collaboration will greatly benefit vulnerable individuals in need. Hope Kolkata Foundation expresses its gratitude to ECGC Limited for their continued support and looks forward to further collaboration to serve the community.

The Children of Hope Kolkata Foundation celebrated Durga Puja 2024 with great enthusiasm. Children from the Residential Child Care Center had the privilege of inaugurating the five-day event on Panchami, which was followed by a delightful dance performance. The children also displayed their extraordinary creativity and artistic skills by crafting the entire décor and idols.
